

Dear Residents and Patrons,

Unfortunately the St. Ann Parks & Recreation Department /community center, all playgrounds and our pool must remain closed until the county allows facilities like ours to reopen. Currently all summer programs, and special events are being cancelled. Our staff has attempted to contact each holder individually, if you have an event and not been contacted, please call us with your new contact information. Those concerned with senior citizen services should call (314) 429-4545.

All room rentals & pavilion permits (thru July) will receive refunds within the next month. Parks & Recreation memberships will be extended for the duration of the facility closure. This includes the pool facility as well.

The golf course will remain open, weather permitting. Hours are 8am-6pm. Please call the golf course at (314) 423-6400 for more information. (Time is subject to change.)

Parks are open however: Playgrounds and restrooms are still closed per county regulations. Gendron Lake has been stocked and is now open for fishing. Missouri Conservation Department rules and guidelines should be followed as well as Social Distancing practices.

Currently, staff will be available to answer any questions or concerns from 8am – 4pm, Monday thru Friday. The St. Ann Parks & Recreation phone number to call is (314) 429-4545. The COVID-19 situation is constantly evolving daily. We will continue to provide information as it develops and is relayed to us.

Thank you for your patience and stay well!
Tim Younker, St. Ann Parks & Recreation Director
